

IMPORTANT PARKING INFORMATION

Having trouble finding a parking space? For your convenience, we have RESERVED parking spaces specifically for MVE patients in the city parking lot across the street.

If you can not find an open space on 11th Avenue, proceed to the parking lot behind the Curry Building. We have ten reserved parking spaces on the 10th Avenue Expressway side of the lot – to the right when you enter the lot. (Disregard the entrance sign stating only permit holders can park there. This does not apply to our reserved patient spaces.)

A walkway beside the Curry building connects the lot to 11th Avenue, directly in front of Mountain View Eye.

If you have any questions, please call our office at 814-946-3937.
